

WOMEN OF MIDDLE AGE

Mrs. Quinn's Experience Ought to Help You Over the Critical Period.

Lowell, Mass.—"For the last three years I have been troubled with the Change of Life and the bad feelings common at that time. I was in a very nervous condition, with headaches and pain a good deal of the time so I was unfit to do my work. A friend asked me to try Lydia E. Pinkham's Vegetable Compound, which I did, and it has helped me in every way. I am not nearly so nervous, no headache or pain. I must say that Lydia E. Pinkham's Vegetable Compound is the best remedy any sick woman can take."

—Mrs. MARGARET QUINN, Rear 259 Worthen St., Lowell, Mass.

Other warning symptoms are a sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ears, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness, inquietude, and dizziness.

If you need special advice, write to the Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass.

IRA D. SMITH.

Ira D. Smith, county attorney of Christian county for the last four years, is before the voters of his party asking an endorsement in the Democratic primary a week from today.

Mr. Smith is one of Hopkinsville's native sons, and at the time of his election was one of the youngest county attorneys in the state. He won the nomination over a popular and distinguished lawyer and was elected over a leading Republican, overcoming a majority of more than 1,000. His term of office has covered a period of great activity in county affairs and his attentive and faithful application to the duties of his responsible office has left no ground for criticism. His formal announcement appeared in this paper some time ago and he appeals to his party to give him the nomination again, feeling that his experience and knowledge of the county's affairs will enable him to be of still greater service to the people for the next four years. It has been the custom of the party to endorse its officials who have demonstrated their running qualities and have made faithful officers, and he thinks he is entitled to the same consideration and support.

PAINFULLY HURT

Was Little Boy When Struck By an Auto.

John Clifford Yancey, little son of Mrs. G. Wathen, was painfully hurt Wednesday afternoon when he was run over by an automobile. The accident occurred on Main street between Eighth and Ninth. The car belonged to the Montgomery-Perkins Road Construction Co., and was driven by one of their men.

According to witnesses of the accident the car was going slowly, having turned from Ninth into Main, heading north, when the child ran across the street and was struck.

The driver immediately stopped and picking the boy up, carried him to the office of Dr. Rozzell, where he was taken care of by Drs. Rozzell and Harned. Although it was at first thought that the child was dangerously hurt, he is getting along well, and his condition was not regarded as serious.
